TOWN MEETING MARCH 11, 1969

The meeting was called to order by Moderator Ralph B. Bemis at 1:30 P. M. The warrant was read and Polls opened under Article 1. To choose all necessary Town Officers for the ensuing year by Australian Ballot.

Ballot Clerks: Mary Thayer, Jennie Main, Arthur Wikman, Mary Clark and John F. Priest.

The School Meeting was called to order at 6:00 P. M.

At the close of the School Meeting the Town Meeting was called to order. Prayer by the Rev. Mary B. Upton.

Continuing under Art. 1, Clarence H. Peterson was reelected Trustee of Trust Funds for 3 years.

Fire Wards: Ralph Clark, Gordon Getty, Justine Chamberlain, Alton Chamberlain, David Schmitt and William Bemis.

Surveyors of Wood and Lumber: John F. Priest and William P. House.

Fence Viewers: John F. Priest and Ralph B. Bemis.

Library Trustee for 3 years: Jane Dunn.

Art. 2. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money on the credit of the Town in anticipation of taxes. A motion to accept as printed passed.

Art. 3. To see if the Town will vote to raise and appropriate the sum of Three Hundred Sixty Nine Dollars (\$369.00) in support of the operating cost of the Elliot Community Hospital for the year 1968. A motion to accept as printed passed.

Art. 4. To see if the Town will vote to give the Selectmen and the Treasurer authorization to borrow money on the credit of the Town in the event of an emergency requiring the replacement of the Town owned bridge on Route 137. To further authorize the Selectmen to determine the dates and place of payments of such notes and to determine the rate of interest thereon. A motion to accept as printed passed.

Art. 5. To see if the Town will vote to raise and appropriate the sum of Two Hundred Fifty Dollars (\$250.00) to reopen 1000 feet of the "Old Nelson Road." This road closed subject to gates and bars by vote at Town Meeting, March 1960. These funds to be matched by funds donated by Mr. John Tillson. A motion to accept as printed passed.

Art. 6. To see if the Town will vote to establish a historic district commission in accordance with the Enabling Legislation of the State of New Hampshire Chapter 31 : 89. A motion to have a committee of from 5 to 7 appointed by the Selectmen for one year passed.

The following were appointed: John J. Colony from the Planning Board; Edwin T. Heald as Selectman Member; Charles M. Bergeron 1 year; Lawrence W. Rathburn 2 years; Elaine House, 3 years.

Art. 7. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5000.00) for a complete revaluation of all taxable property in the Township of Harrisville, N. H., this revaluation to be carried out by the State Tax Commission of New Hampshire. A motion to lay this Article on the table passed.

Art. 8. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) as its share of the funds required to restore the Vestry Building as a Town Library. These funds to be matched with State Aid Funds and those funds already received as contributions. Funds to be raised as follows: To raise \$2000.00 in 1969 by taxes. The balance of \$8000.00 to be raised by the issuance of four equal notes \$2000.00 each, the first note coming due in 1970 and one note coming due each year for a period of three years thereafter. To further authorize the Selectmen to determine the date and place of payments of such notes and to determine the rate of interest thereon, and to take such other steps as may be necessary to negotiate such notes as shall be to the best interest of the Town of Harrisville. A motion to accept as printed passed.

Art. 9. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. A motion to accept the budget as printed in the Town Report passed.

Art. 10. To determine and appoint the salaries of Town Officers and fix the compensation of any other agents of the Town. A motion to raise \$300.00 to pay the Road Agent and Highway laborers time and a half for over time on winter maintenance retroactive to January 1st, 1969 passed.

Art. 11. To hear reports of agents, committees or officers chosen and pass any vote relating thereto. The Moderator called attention to the various reports of agents, committees or officers chosen in the Town Report. A motion to accept them as printed passed.

Art. 12. To transact any other business that may legally come before this meeting.

After considerable discussion as to the laws and regulations in regards to the operation of the Harrisville Beach.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

January 23, 1970

Board of Selectmen
Harrisville, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Harrisville for the fiscal year ended December 31, 1969, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

A copy of the enclosed report must be given to the Town Clerk as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library Restoration Fund, Library and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets—December 31, 1968—December 31, 1969:
(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1968 and December 31, 1969, are presented in Exhibit A-1. As indicated therein, the Net Debt of the Town increased by \$5,843.18 during 1969, from \$2,963.09 to \$8,806.27.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in the financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1969, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net overdraft of appropriations of \$3,835.93, less a revenue surplus of \$1,192.75, resulted in a net budget deficit of \$2,643.18.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1969, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1969, is indicated in Exhibit B-3.

Statement of Long Term Indebtedness: (Exhibit H)

A statement of the outstanding long term indebtedness of the Town as of December 31, 1969, showing annual debt service requirements, is contained in Exhibit H.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased by \$5,143.18 in 1969, from \$21,236.91 to \$16,093.73, as shown herewith:

	Dec. 31, 1968	Dec. 31, 1969
Total Assets	\$65,753 17	\$87,719 44
Current Liabilities	<u>44,516 26</u>	<u>71,625 71</u>
Current Surplus	\$21,236 91	\$16,093 73

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Harrisville for their assistance during the course of the audit.

Yours very truly,
O. Maurice Oleson, Director

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Harrisville for the fiscal year ended December 31, 1969.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the Exhibits included herewith present fairly the financial condition of the Town of Harrisville as of December 31, 1969, together with the results of operations for the fiscal year ended on that date.

REPORT OF ROAD AGENT

It is time once again for the annual road agent's report. The start of 1969 saw a heavy work load for the road crew due to two severe snow storms. They also later necessitated the replacement of several aluminum culverts on the Venable Road, replace a wooden bridge on Long Pond Road, and installed a cement culvert on the Edgar Seaver Road.

In the summer, work started with the reopening of the Old Nelson Road. Next work was done on the Eastside Silver Lake Road which required blasting ledge and leveling the road at the request of summer residents. The Walker Road was also widened, graveled and resurfaced which was long past due. A total of 3622 yards of gravel were used. The Heald Road, Walker Road, Eastview Road, and the Bonds Corner Road required 12,000 gallons of asphalt. Due to the worn condition of the grader, we found it necessary to request outside assistance during tarring.

The crew also helped in installing granite at the new library building. This year the town garage was also painted and several windows replaced.

Because of the heavy snow fall and ice in December, it was necessary to use more sand and salt than usual. This also put an extra strain on the equipment in general.

Respectfully submitted,
Wesley R. Tarr, Sr.
Road Agent

REPORT OF HARRISVILLE FIRE DEPARTMENT

January 28, 1970

The Harrisville-Chesham Fire Dept. answered ten (10) fire calls and three (3) resuscitator calls during 1969. These include 1 chimney fire, 2 car fires, 2 dump fires, 1 building fire, 1 brush, 1 live wires in trees, and 2 cover for neighboring towns.

In keeping with our policy to update our department we have added 5 tone receiving monitors, a base transmitter in Chesham, 6 Indian pumps, a 1500 gallon plastic portable tank, and have installed our own gas tank to take advantage of lower rate bulk purchasing plus tax rebates. The auxiliary donated some much needed hand lights and additions to our portable lighting systems, as well as the Christmas lights that decorated both stations. The men in the department have purchased a radio for the chief's car, and a relay relief valve soon to be delivered from Germany.

I wish to thank the Selectmen for their fine cooperation, the Firewards and the men who have helped make this a fine Fire Department.

Respectfully submitted,
Alton Chamberlain
Chief

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum and there were few violations. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a. m. and after 5:00 p. m.

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.

2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine of \$500.00 or one year's imprisonment.

3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.

4. For dropping inflammable material in or near woodland maximum fine of \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

LIBRARY TRUSTEES REPORT

This has been an eventful year with the renovation of the Vestry for our new library. These facilities should meet the needs of the community for many years. We look forward to moving into the new quarters early in 1970 and plan the dedication ceremonies during the centennial festivities in July.

Our "in Town" campaign for the building fund yielded \$1,597.00 in amounts ranging from \$2.00 to \$100.00. These 118 individual contributions coming in over a period of 6 months cheered and encouraged your committee in their work on this project. If you still wish to give there are a lot of things the library needs and the fund drive remains open.

Again we wish to thank our librarian, Louise Bergeron, for giving so many hours of her time to the library. We also want to thank those of you who have donated periodicals and books and we would like to encourage others to do so. With limited funds for buying books and magazines this helps to build our collection.

We have gratefully received several memorial gifts of money. We hope others will use this meaningful way of remembering deceased relatives or friends. Many of our neighboring towns receive yearly incomes for their libraries through trust funds and we are hopeful that our library will receive bequests in the future. Remember us in your will!

LIBRARIAN'S REPORT

Again it is time to report on what has transpired in the Harrisville Library in 1969.

First, I am happy to say, that in spite of all the competition that exists, and the added pressures of the day, our Library is still very active and alive. Many are finding time to read, as they always have, although many substitute pleasures could take the place of this activity. With the Audio-Visual world growing so fast and offering so much, which takes little energy and effort, the fact remains that Reading is holding its own place and still of interest to many Adults and Children in our midst. New areas are creeping into all Libraries and one of ours is the Records. We offer Records which may be taken out in the same way as books, and it is a popular area. They move regularly, are much

in use. These present Records on hand were sent to us by R.C.A. as an advertising gimmick which is a big help to us. I have contacted a competitive company asking for the same opportunity and also stated that any free materials would be welcome, as a means of stimulating interest. The present Records are for entertainment, only, but we hope to get into the field of Culteral and Educational material. With the new Library and the added space we will be able to introduce more areas of interest to more people.

The Adult circulation for 1969 was 2,573. The Bookmobile furnished us with 434 Adult books, the State Library with 51 for Special Reading and 25 books were purchased. Most of the 161 books donated were for Adult reading and a good number were new and current. Our sincere thanks go to the kind people who thought of us and also special thanks to our own local co-authors for the autographed book on "Old Bottles" which has been so popular. It may be of interest to mention at this time, that it inspired us to add McKearin's "American Glass," an asset to any Library. Too, with the thought in mind that our future citizens could use financial help for their education, Maxwell's Financial Aid for Students is in our possession. This has a list of hundreds of scholarships available for the asking. The Children's circulation was 2,697 for the year. In this area we needed outside help to meet the demand and again the Bookmobile was our greatest help, giving us 1,031 juvenile books. 49 books were purchased and we have more on order and intend to obtain more with money left in our appropriation. At this time, I must explain that our book-buying program was delayed in July. We had money in the State program but at that time the Libraries received a terrific blow. Under the Federal H E W program, the present Federal Administration made an enormous cut in the Library Budget under Title 1 which affected all State work such as Bookmobiles, Film programs, Consultant Services and Centralized book buying which enabled us to get discounts on all purchases. All this meant a reduction in State Library Staff and finances. We were urged to write to our Senators and Representatives expressing what it meant to us. We are still hoping to get more help on Title 1 but must wait. It will be sad to put library progress back to 1956 level when the school standards call for added progress. May we ask your help in letting the "powers that be" know your feelings? It was fortunate that the \$100 grant for Reference books was not affected as it meant adding 9 good books to our list. We have already received the State Grant for 1970 which we may again use for Reference but they informed us that it is the last to be used in this way.

Our future plans, now that we can operate in such a manner, call for extra activities. Movies, exhibits, lectures, story telling and any desired special programs agree on the agenda. For some such work, the course I took last Spring "Programs and Services for Adults and Young Adults" is the source of much information. This was paid for by the State and the instructor was Miss Kay Fox of the Keene Library, who is willing to give further help but it will all require extra help by individuals, particularly if it is something you wish to have presented.

We will help all we can, of course. We can get help from many sources for these programs or any other special interests you may have, such as particular arts and crafts.

As in many other situations, the State expects Libraries to be in the know on all Library affairs and the District Advisory Councils in the State handles this. There are 4 Advisory Council Meetings in each of the 4 districts each year and each library has a representative delegate and alternate. One or the other is expected to attend each meeting and as the delegate here, I attended the 4 meetings in 1969 and felt that the time was well spent. Libraries have many problems and the general discussions are the most helpful way of taking care of them. This is what the meetings do. One has to make an appearance to be recognized and to expect help.

Another area is Book Review meetings which occur six times a year in various locations and which are so much help in bookbuying. Here suitable books for Libraries are on display and reviews are given on the ones considered best. I know that my attendance to these meetings was a help in our selections and I enjoyed them all.

By the time this report is in your hands, we expect to be in our new quarters which to us seems like a dream. The feeling of space is most relaxing, and one which I hope you will all experience. If the inside gets tiresome, do try the outside view, which cannot be beat. You will certainly be pleased to say that you were a part of it. I would like to feel that we could say as the Townspeople felt in 1879—"We cannot dispense with the Library, for it is an important agency in improving and reforming the community in which it is placed." With the New Look and added activities would it be too much to expect a development of new interest in our Library? I am looking for help in all areas so feel do most urgently needed and welcomed. Do come in soon.

Librarian

This is a progress report of the Marl-Harris First Aid and Emergency Squad, Inc.:

The Towns of Harrisville and Marlborough are proud to own an ambulance, a gift of the Spring Lake First Aid and Emergency Squad, Spring Lake, New Jersey, which came equipped with two stretchers, some equipment and first aid supplies. The ambulance squad is in the process of training the volunteers under the supervision of Red Cross First Aid Instructor, Roger Packard.

The Squad was incorporated 29 August 1969, as a non-profit organization. It is being supported by solicited funds from both towns. Some interested persons have freely given their time, services, and supplies to solidify this effort. The supplies and maintenance for the ambulance will depend upon a yearly appeal for funds to carry on this worthwhile project. The 1969 appeal was gratifying. These funds have enabled the Squad to purchase much of the necessary equipment required to meet state and federal specifications. We are awaiting delivery of some of the essential equipment, which has been ordered. Requirements for personnel to serve on the Squad are: Red Cross Standard First Aid, followed by Red Cross Advance Training, and actual ambulance manning of equipment and supplies under simulated circumstances. Refresher courses will keep the Squad abreast of new techniques.

At present we cannot provide twenty-four (24) hour service due to lack of enough trained personnel. Persons interested in volunteering should contact the fire chief of either town. Registered and practical nurses are urged to sign-up.

THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the town of Harrisville qualified to vote in district affairs:

You are hereby notified to meet at the Wells Memorial School in said district on the 10th day of March, 1970, at 1:30 o'clock in the afternoon to bring in your votes for the election of the following officials:

Article 1. A moderator for the coming year. A clerk for the ensuing year. A member of the school board for the ensuing three years. A treasurer for the ensuing year. An auditor for the ensuing year.

You are hereby further notified to meet at the Wells Memorial School in said district on March 10, 1970, at 6:00 p.m., to act upon the following subjects: (Polls will open not later than 1:30 p.m., nor close earlier than 6:30 p.m.)

Article 2. To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

Article 3. To choose agents, auditors, and committees in relation to any subject embraced in this warrant.

Article 4. To see if the district will vote to authorize the school board to enter into junior high school tuition contracts for the school year 1970-1971 with the Union School District of Keene, or with other approved junior high schools at a sum not to exceed seven hundred ninety-five dollars.

Article 5. To see if the district will vote to authorize the school board to make application for, accept, and spend on behalf of the district, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire, or from other sources.

Article 6. To see if the district will vote to establish an Authorized Regional Enrollment Area (A.R.E.A.) School Planning Committee, said committee to consist of three qualified voters of whom at least one shall be a member of the school board, or take any other action relating thereto.

Note: This District is currently in an A.R.E.A. arrangement with Keene for grades 9-12. For planning purposes this District should continue discussions with other Districts as to the mutual problems of education, particularly grades 7-8. Approval of this

article makes no commitments for this District except to form a committee that will consider the future, meet with such committees from other districts, and report its findings at a future meeting of this District. Appropriate discussion and planning for the future seems essential with pupil enrollment increases and the evolution of educational change.

Article 7. To see if the District will vote to authorize the employment of a Teacher Consultant for New Hampshire Supervisory Union #29 as provided in RSA 186:11 XII and XXIV as amended or take any other action related thereto.

Note: The School Board of New Hampshire Supervisory Union #29 (which includes the board members of this district) have voted to reorganize the administrative structure of the Supervisory Union. This reorganization includes the elimination of one Assistant Superintendent of Schools and in place of this position the creation of the position of Consultant. The change is a matter of a reassignment of responsibilities and functions with no change in the actual number of people and with no direct increase in the budget. The item appears in this warrant as dictated by law since official titles and functions will be changing. It is anticipated that the overall reorganization will result in increased efficiency while providing more service to this District, its school board, instructional staff, and students.

Article 8. To see if the district will vote to authorize the school board to sell or take any other action in regard to the so-called old school building or raise and appropriate a sum of money for maintenance.

Article 9. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district.

Article 10. To transact any other business which may legally come before this meeting.

Given under our hands at said Harrisville this 10th day of February, 1970.

HARRISVILLE SCHOOL DISTRICT MEETING

The Harrisville School District meeting opened March 11, 1969 at 1:30 p.m., at Wells Memorial School. Mr. William House, moderator, read the warrant and declared the polls to be open for voting.

Article 1. Voting for school district officers by Australian ballot.

Article 2. It was voted that the reports of agents, auditors, committees or officers chosen be accepted as printed in the Annual Report.

Article 3. Motion was made and seconded that this article, to choose agents, auditors and committees to be passed over.

Article 4. After much discussion it was voted that the district would raise and appropriate the sum of \$98,809.86 for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district.

Article 5. A motion was made and seconded that the district would authorize the school board to enter into junior high school tuition contracts for the school year 1969-70 with the Union School District of Keene, or with other approved junior high schools at a sum not to exceed \$650.00.

Article 6. It was voted that the district will authorize the school board to make application and to accept, on behalf of the district, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the U. S. Government or from the State of N. H., or from other sources.

Article 7. It was voted to raise and appropriate the sum of \$600.00 for the participation of Grades five and six in the Outdoor Education at Camp Union.

Article 8. After an explanation of this article by Supt. Day it was voted to raise and appropriate the sum of \$210.00 for the support of Educational Adjustment Services including psychological, psychiatric, and speech therapy services.

Article 9. Mr. Ralph Bemis spoke of the deplorable condition of the school kitchen and also of the broken fence which the school board assured would be repaired.

Recess was called at 7:00 p.m., until closing of the polls.

Polls were closed at 8:20 p.m., ballots counted.

Results of voting:

Total ballots cast	184

PRINCIPAL'S REPORT

To the Citizens of Harrisville:

The Wells Memorial School opened on September 3, 1969, with a total enrollment of 61 students. We were all pleasantly surprised to find the old Wells Memorial newly painted in attractive shades of green, yellow, blue and gold, and spotlessly clean. We feel like we are in a new building.

The curriculum has undergone several changes in the last year. We have a new science series for grades one through six and our math series has been completed this year for grades three through six. The books are clear and concise and a pleasure to teach from. Next year we are looking forward to a new reading and social studies series and that should complete putting us in good shape for quite awhile.

We went on an all-school trip to Boston last May, touring historical points of interest in and around the big city; visited Lexington and Concord, went on board Old Ironsides, etc. It was the first time that many of the children had seen the ocean. Thank you for providing this trip.

I want you to know it is my desire to make our school one in which the atmosphere is relaxed and where the process of learning can freely take place. The children of Harrisville have done well in the past when they left our little school. We want this to continue into the future.

Sincerely,
Eli Mercer

Principal

ADMINISTRATIVE REPORT

To the School Board and Citizens of Harrisville:

We are glad to report that our staff is the same this year except for the loss of Tom Wentzell, our teacher aide. We are fortunate to have Miss Eileen Walker as a cadet teacher during the third quarter of the current school year.

The principal's report indicates the continuance of our program of updating our textbooks. We expect to have a new social studies series before the end of the current school year and funds for a new reading series is included in the current budget. We are trying to help our teachers help your children by keeping abreast of educational progress in utilizing current editions of textbooks and up-to-date equipment. However, we are also keeping in mind the tax burden. The budget that is recommended to and approved by the school board does not increase the tax rate, which is unusual in an economy that is experiencing an inflationary trend.

Current practice is to allow parents to select the junior high school or seventh and eighth grade their children are to attend. If Keene is not selected, the pupil has two adjustments to make, one at the school of the parents choice, and another when the pupil enrolls at Keene High School which is the designated high school under the adopted A.R.E.A. plan. It seems advisable that parents select Keene Junior High for seventh and eighth grade attendance for their sons and daughters in order to reduce the number of adjustments.

Extensive renovation has been accomplished at the school this past summer. The whole exterior was painted and the interior was completely painted in appropriate colors. The proposed budget allows funds for a new hallway ceiling and floor tile. Other repairs accomplished with funds from the current budget are replacement of door locks, fencing, a new oil burner and boiler improvements. This is a considerable accomplishment for one year. There would be less impact on the budget in any one year if repairs and renovations were planned on a regular basis in the future.

Harrisville is a member of a successful A.R.E.A. high school program. The 1970 warrant contains an article that gives Harrisville citizens an opportunity to vote to participate with several other districts in a study of the advantages and disadvantages of having a grade 7-12 A.R.E.A. We recommend that Harrisville become a member of this study group.

Mr. Keach has been substituting on a part time basis for Mr. Cusick who left us on October 10. It is difficult for a change in personnel to continue the programs and policies of an administrator. It always means that there is an additional burden on remaining personnel. There will be an even greater challenge to keep abreast of requirements when Mr. Keach leaves in February.

Another article in the warrant gives Harrisville citizens the opportunity to support the action of the supervisory union 29 meeting in voting to have a Supervisory Union Educational Consultant. This is not an additional position, but a realignment of assignments. An organization chart is included in this annual report. The administrators recommend your support of the Supervisory Union action.

Supervisory Union 29 is composed of the following school districts. Chesterfield, Harrisville, Keene, Marlborough, Nelson and Westmoreland. School Board members from these districts meet twice a year to prepare a budget and to take action in the formation of policies. Mr. W. B. S. Clymer is chairman of Supervisory Union 29 and Mrs. Barbara Lake has been chosen as one of three members representing Union 29 on the Board of Directors of the Monadnock Children Special Services Center.

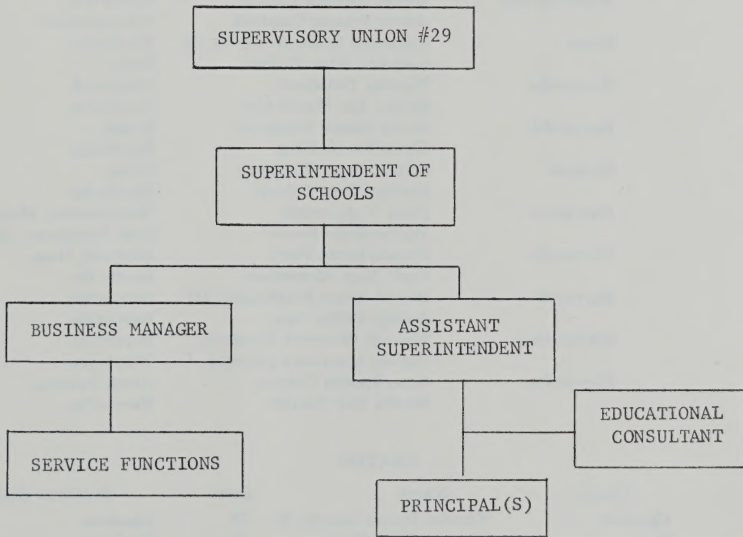

The people in the Supervisory Union office wish to express their appreciation and thanks to the citizens, school board, and staff for their cooperation and support during the past year. We look forward to working with you in the future in our mutual endeavor to maintain a good educational program.
